IT'S GREEK TO HER

Having graduated from college after four grueling years of studying toward my teaching degree, I decided to take my graduation gift—a chunk of cash from my family—and go on a summer vacation. I'd always wanted to see Greece, and I figured that was the perfect country to visit to have a last fling before my "real" life began. My family, though, was a little leery. They were worried that a single, 22-year-old girl would be safe traveling alone in a foreign country. But I've always been a free spirit who loves to have fun and live on the edge. I decided to take the chance and see Greece on my own. I sort of hoped I would run into "trouble" there, but trouble of the good kind, if you know what I mean. I wasn't disappointed.

The first couple of days of my 10-day trip were uneventful. I did a bunch of sightseeing, then hung out at some local bars at night. Oh, I got my share of stares. I look and act like the typical All-American blonde, with an athletic build, proud "C" cups, baby blues, and a Midwestern twang. Let's just say I did stand out among the natives.

On my third day there, I took a trip to see some ruins. No organized tour for me; I traveled on a local bus. About half-hour into the trip, I felt a tap on my shoulder. I turned around to face this very handsome man of about 30. He had chiseled looks, an olive complexion, and sexy dark bedroom eyes. In very good English, he said to me, "You are American. Yes?" I nodded.

He continued, "I am Greek, a professor of, how do you say...archeology. I love to visit the ruins to study them. I could tell your bones are of the American beauty kind."

Flattery—especially if you look like a Greek god—will get you everywhere. There was an empty seat next to me and I invited Spiros (that was his name) to join me. We began exchanging life stories. He was very smart, funny, and so fucking sexy. He kept on complimenting me, telling me that American women are so much hotter and more "fun" than Greek chicks. When he offered to provide a personal tour of the ruins, I couldn't say no.

When we reached our destination and disembarked from the bus, I noticed most of the visitors walked in one direction. Spiros took me by my hand and led me the opposite way. In a couple of minutes, we were by ourselves, secluded behind some large ruins. When Spiros said, "You come to Greece for adventure, yes?" then reached over to kiss me, I didn't decline the offer.

horny. When I felt his skilled tongue poke my clit, I shivered in ecstasy. He lapped away and all I could think lying there was that he should have been a professor of cunnilingus, not archeology. All I wanted at that point was for him to fuck me. I told him so, then spread my lips for him to enter. Shaking his head, Spiros whispered, "No, my love. You know what they say—when in Greece, do as the Greeks do. Turn around." I didn't understand, until I felt a finger invade my tight anus. For a second, I shuddered in trepidation. Quickly, though, I gave way to my desire to have this man inside of me—no matter the hole. What the hell, this was my vacation, I might as well do something I'd never done before.

Spiros flipped me over on my stomach, then continued to ease his finger into my asshole. It was a bizarre feeling, different, but not uncomfortable. I actually felt my rectum loosen up. Then I felt the tip of his bulging, vein-filled cock throbbing at the entrance to my butthole. As the first inch pushed inward, I let out a gasp. Spiros, undaunted, plowed ahead. In what seemed like one fell swoop, his whole cock was crammed into my anus.

He began thrusting, turning my ass inside out, fucking me with abandon. After a minute or two, my body became used to the foreign (no pun intended) movements and it felt good—very good! I was lost in a sea of lust, swept away by a handsome stranger in a far-away land; my life a romance novel come to life!

As Spiros fucked away, I reached a hand underneath my butt and frigged my clit. As the ass-pounding intensified, I lost it and came in wave after wave of orgasmic bliss. I really don't quite know what happened after that. That's how far gone I was. Oh, a few minutes later, we were both dressed and back on the bus. We made small talk back to town. When we got off, Spiros simply kissed me on the cheek and waved bye. It's the last I saw of him. But the memory of our Greek encounter will last me the rest of my life!

This man was the most passionate kisser I'd ever met, putting the American boys I'd made out with to shame. His tongue glided over my mouth, reached into my throat, and sucked the life out of my own tongue. I felt my panties getting wet and my hormones beginning to rage. When he began unbuttoning my blouse, I let him. Next he pulled off my shorts, and there I stood, in front of those gorgeous Greek ruins, in bra and panties.

Spiros quickly stripped off his shirt and pants. Surprise! He had no underwear on. Talk about an Adonis! He had a six-pack, plus his cock was large, throbbing, and ready for action. Pushing me down onto the ground, he felt me up, then took off my underwear. I'd never been so wet or

When is a workout not a workout? When it involves my musclebound, hunky boyfriend, Chuck, and his best pal, Sal. Almost from the first, Chuck told me he and Sal were thick as thieves (let's not get into if that was really their occupation or not). I didn't really quite understand the depth of that friendship until I started hanging out with the two of them. I knew I was going to be in for a wild ride when, on the first night I met Sal, he and Chuck had a 'Who has the bigger dick' contest in front of me (it was a tie).

"The next time, Chuck told me he was okay with Sal feeling me up. Hell, so was I. Now we share spit all the time. This morning, working out in Sal's basement gym, though, things really got heated. After teasing my clit with a dumbbell (the real thing, not Chuck), Sal began eating me out. Then I felt Chuck's breath on my boobies.

"The two buds fucked me every which way. And yes, for the first time, I let Chuck do my asshole while Sal plowed my pussy. Sweat flew all over the gym—and not from bench pressing. Boys will be boys. I'm glad these two are mine!"

AND WEIRD SHIT! BROUGHT

ASA GETS WICKED IN HER CONTRACT DEBUT!

LOS ANGELES — In her first movie as a Wicked Pictures contract girl, Asa Akira pushes the envelope in a hardcore release directed by Brad Armstrong called "Asa Gets Wicked." She said the title is "filthy" and glamorous, calling it "the best movie I've ever made."

"There's two anal scenes, a DP scene, an orgy scene including both anal and DP, a threeway with Jessica Drake — aka 'my new favorite person to have sex with,' — and additionally, I did a really hot enema masturbation scene for the first time," Akira said.

"Asa Gets Wicked" finds the performer in exotic scenarios involving horny flight attendants, a seductive masseuse, a nasty nurse and more. Shot and edited in 16x9 widescreen HD, the disc includes behind-the-scenes footage and two bonus scenes, among other extras.

On social media, Wicked will be commemorating the DVD's release with special giveaways during "Asa's Wicked Weekend." Followers of twitter.com/wickedpictures will have the opportunity to win a free copy of the new DVD, as well as Akira's previous collaboration with the director — the 2014 XBIZ Feature Movie of the Year, "Underworld."

"Asa Gets Wicked" co-stars Kaylani Lei, Cindy Starfall, London Keyes, Ryan Driller, Dane Cross, Eric Masterson, Johnny Castle, Kurt Lockwood, Mr. Pete, Seth Gamble and Tommy Gunn.

PORN HOGS THE NET

CYBERSPACE — Porn is considered a major "data hog" according to data compiled by WholsHostingThis.com, accounting for 35 percent of all Internet downloads. The study also found that the average time spent on a porn site is between 15 and 20 minutes, and that some of the most popular adult sites host more than 100TB (terabytes) of content, and serve up more than 100 million page views per day.

Although it wasn't identified, the research group said that one adult site alone sees 350 million visits each month.

The ever-growing popularity of video streaming is also playing a major role in bandwidth usage because of increased Internet traffic and mobile devices, according to the study. More than three-trillion Internet videos per month are expected to be generated by global users. Although there was no breakdown as to how much will be porn, the total download figures safely support that porn will increase exponentially.

NEW ENTOURAGE MOVIE MEANS MORE PORN SLUTS

HOLLYWOOD—It's been four long years already since Sasha Grey was cast for a recurring role as her pseudo-self in HBO's massively popular series, *Entourage*—which, during its run, also featured cameos by porn A-listers including Jesse Jane, Teagan Presley, Devon, Monique Alexander, Roxy Jezel, Marcus London and Tommy Gunn.

Now that the show is making the leap onto the big screen—with a slated release date of June 12, 2015—it is keeping its porn-friendliness intact by placing a number of current adult starlets in small roles (although word has it Grey will not be reprising hers). Among those who have shot sequences for the *Entourage* movie are Lilly Banks, Maia Davis, Spencer Scott and Anna Morna.

Banks, who worked for two days on the movie, told AVN, "It was intense and long days, but really fun to be a part of. I can't wait until the movie comes out to see how it all comes together."

Agreed Morna, who, along with Scott, shared camera time with series star Jeremy Piven and *The Sixth Sense*'s Haley Joel Osment, "It was a great experience. The director and the crew were very nice and easy to work with. I was a huge fan of the show when it was on HBO."

Added Scott, "Getting to meet Jeremy and Haley was great. Haley was very sweet! We had such a blast!"

SPONGEBOB PARODY

WoodRocket.com has released a follow-up to its live action porno spoof of "SpongeBob SquarePants," calling "SpongeKnob SquareNuts #2" the "weirdest, wildest and sponge-iest porn parody sequel of all time."

Shattering erotic and interspecies traditions, "SpongeKnob SquareNuts" is the first movie ever to feature a threeway between a sponge, a starfish and a busty squirrel in an astronaut outfit.

"We figured if we were going to do this, we had to go all the way and have the characters do the same," director Lee Roy Myers said. "So we added more characters, more sex, more weirdness and more Patrick. I've never seen any adult movie like 'SpongeKnob SquareNuts #2' before."

The film stars Chloe Addison, Anthony Rosano and Tommy Pistol in the story of what a horny underwater sponge and his well-hung starfish sidekick decide to do on SpongeKnob's day off from his job at the Krusty Krab burger joint.

Sandy the Squirrel's easy cousin, Candy, has some (really dirty) ideas — which beat out Patrick's other suggestions, which SpongeKnob insists that he's already done. You know, like reenacting David Lynch movies or plagiarizing Daniel Clowes comics.

The SFW acid trip-esque trailer opens with a naughty riff on the original "SpongeBob" themesong, "Who lives in a vibrator under the sea? He's so horny and nerdy, he tried to hump me!"

"SpongeKnob SquareNuts #2" can be watched for free on WoodRocket.com

SpongeKnob's vibrator/home and other waterproof toys for the shoot were provided by Evolved Novelties.

PUBA LAUNCHES DANA DEARMOND WEBSITE

LOS ANGELES — The Puba porn star network on Friday announced the launch of the official website for "The Internet's Girlfriend," Dana DeArmond.

The company said DanaDeArmond.com is an all-inclusive hub for DeArmond's erotic fantasies and dirty scenarios, which include lesbian encounters, hard anal sex and fetish scenes.

In-house director and co-owner, Ivan, remarked, "Dana and I have a great working relationship. She's always been that MVP type of performer; we always had this theory... if we needed a scene for the movie that would be the icing on the cake, it had to be Dana. She pulls back the curtains, smashes the window, jumps on your couch and pounds out one bad-ass scene after another."

The site will not only feature HD-quality sex scenes and photo galleries, it will also include behind-the-scenes footage shot exclusively for her site.

"I decided to relaunch DanaDeArmond.com with Puba because they have the hottest stars and the nicest people," DeArmond said. "I've been working with Ivan for years and I think he really understands my point of view. It was very important to me that my website represents my personality and Puba gives me the freedom to produce the kind of content I want to shoot and my fans have come to expect from me."

Affiliates may visit PubaCash.com for site promotional tools.

SARAH

CAROL &

LAURA

I t was simply supposed to be a girl's getaway weekend. We had decided to go to this 'all-inclusive' singles resort in Mexico. But as soon as we booked it, I sort of had an idea it would turn out to be more. Carol, Laura, and myself have been buds since freshman year in college. We used to hang out all the time and everyone would joke that I was the 'smart brunette' in between the two dumb blondes. The three of us partied hearty. We messed around with each other a little, but were too concerned about getting cock crammed in our horny pussies to really think about much else.

"But as soon as we hit the room and started guzzling the tequila, you could sense the shift in emotions. Carol was the first to undress to change into her bikini and I remember Laura's hands roaming over her body. Then all hell broke loose.

"The two blondes began eating each other 69 style. I wanted in. I began finger-fucking one of them. We were soon taking turns lapping labia and tonguing tit. The whole weekend was one giant girl orgy. We used every object that wasn't nailed down in the room to fuck each other with. I don't remember half of it, but I do remember it was the wildest time of my life. We're going away again in a month. I can't wait!"

THE RING

Starring: Kaylani Lei, Samantha Saint, Capri Cavanni, Gia DiMarco, Rilynn Rae, Michael Vegas, Chad Alva, TJ Cummings
Directed By: Stormy Daniels
Available From: Wicked Pictures

The games begin when Kaylani Lei bails Chad Alva out of jail, with her ex-boyfriend in tow. Once in the clear, the tumultuous threesome must retrieve a wedding ring from an angry stripper in director Stormy Daniels' latest naughty nuptials.

The movie opens with Michael Vegas making mincemeat out of Gia DiMarco's muff in a public bathroom. After pricking her pussy full of cock in standing doggie and reverse cowgirl, he douses her cheeks with cream.

Later, we find Kaylani Lei and Michael Vegas reminiscing about their sexy romp in a shower. With running water that matches the wetness between Kaylani's legs, this duo bangs out an incredibly steamy connection.

As the story develops, we find Chad Alva fucking Capri Cavanni at TJ Cummings' bachelor party. Butterflying her like shrimp across white sheets, Chad impales Capri's pretty cunt, causing it to bubble over with consommé. She leaves with a smile on her face and Rilynn Rae's intended wedding ring in her pocket.

When trying to retrieve the ring, they are led to a strip club whereby Kaylani works Samantha Saint to a sticky conclusion when stuffing her pussy full of fin-

gers and tongue.

Making it to the wedding by the skin of their teeth, the best is achieved when TJ and Rilynn finally consummate their marriage, causing us to say, "With this ring, I thee bed!"

Extras: In addition to three bonus sex scenes from previously released movies, fans can look forward to a well-stocked photo gallery spread and plenty of full-length movie trailers that may serve as fun party favors once the wedding concludes.

SOAKING WET

Starring: Abby Cross, Lola Foxx, Ashley Fires, Valentina Nappi, Romi Rain, Alektra Blue, Mick Blue, Erik Everhard, Manuel Ferrara

Directed By: Chris Streams

Available From: Jules Jordan Video

Whereas director Chris Streams changed the way people viewed oiled up sex with his winning series, *Oil Overload*, so too is he trying to redefine the sexy connection between horny babes and water with his latest release, *Soaking Wet*. Impressive from start to finish, expect your balls to drain of their liquid as a result.

Abby Cross and Lola Foxx, two car-wash angels, are all soaped up and ready

to rock Mick Blue's world. Treating him to plenty of gash, both girls swap his cock between them, eventually sharing his cumload by swapping it from mouth to mouth.

Next, Ashley Fires splashes around a pool while great underwater views are captured of her luscious body. Soon, she's joined by Erik Everhard. He laps up her moist clam and makes her cum before dredging her asshole full of his hot beef.

Valentina Nappi, a stunning Italian, continues the show by slathering up her curves in a warm shower. In time, Manuel Ferrara joins the Euro babe, ensuring she stays good 'n' wet when excavating her anus.

Romi Rain also has a go with Erik

Everhard. Although their scene is white hot, Alektra Blue is the performer that ultimately steals the spotlight with her stand-out scene alongside Manuel Ferrara. Together they deliver one of her strongest performances to date.

Rating: ★★★★★

Extras: In addition to the main attraction that lasts two hours and 45 minutes, fans can look forward to over 40 minutes of BTS coverage that spotlights life on set. Also worth a peek is the expansive photo gallery section, the cumshot recap option and trailers for future attractions.

INKED ANGELS

Starring: Juelz Ventura, Romi Rain, Lolly Ink, Bonnie Rotten, Christy Mack, Angelina Valentine, Kevin Moore, Mr. Pete, Bill Bailey, Michael Vegas
Directed By: Kevin Moore
Available From: Kevin Moore/Evil Angel

Perfectly suited for fans of beautiful chicks with tats, director Kevin Moore has assembled five ink intensive babes that will entice and shock the senses. Unleashing them on capable studs, watch as their colorful bodies bounce and their holes are stuffed!

Looking dangerously beautiful, Juelz Ventura proves her value isn't only skin-deep. Demonstrating expert cock riding and sucking skills, she sucks and pumps Mr. Pete like an Olympic gold medalist, offering

him all three holes with smashing results.

Romi Rain and Lolly Ink are also notable inclusions to the lineup. Together they tag team Mr. Pete but not before filling up on wet pussy first. Hot!

Later, Bonnie Rotten can be found stuffing her behind full of an ultra big toy. Soon, Bill Bailey switches it out for the real thing, providing Ms. Rotten with the hot beef injection that she's been craving. Truly, this scene is rotten to the core!

Meanwhile, Christy Mack looks exceptional in a tightly cinched corset before Michael Vegas fills up her pussy with his high-octane protein bar. Looking exceptional in every arrangement, Christy makes a lasting impression with her sloppy blowjob and beautiful face.

Kevin Moore later joins the pussy brigade by claiming Angelina Valentine for himself in the final scene. With explosive chemistry, this girl gets screwed, blued and tattooed!

Directed By: Mike Quasar
Available From: Third Degree Films

This all-internal series, directed by Mike Quasar, has all the bases smothered and covered. Enlisting the help of seasoned studs, five starlets are filled up like Bavarian cream puffs. With sexy tease sessions and plenty of homemade icing, be prepared to lick your chops!

Samantha Ryan begins the show by showing off her assets. John Strong waits for her inside and immediately forks her in spoon upon entry. With passionate kissing

and plenty of deep-rooted vaginal pounding, this duo is off to a sticky start.

Barrett Blade continues the show by expertly eating out Jessa Rhodes. Once he's finished, he sheds his bedside manner and stuffs her pussy like a holiday turkey. After she's brought to multiple orgasms, he cools down her internal flame with a splash of jizz.

From here, we find Dani Daniels seducing the camera with her expressive eyes. Easily captivating Tommy Pistol with her sex appeal, the duo bangs like drums and end their scene with a climactic gush to her coochie.

Meanwhile, Tommy Pistol is doing an incredibly good job at pleasing Aubrey Addams. Delicious looking from head to

toe, Audrey shines the brightest when on her back in missionary position. AJ Applegate ends the show on the highest conceivable note when she proves her rising star power alongside Mark Wood. With fucking this hot, we're expecting AJ to become porn's next big thing!

THE NEWLYWED GAME XXX

Starring: Natalia Starr, Heather Night, Cassandra Nix, Liv Aguilera, Xander Corvus, Ramon Nomar, Erik Everhard
Directed By: Eddie Powell
Available From: New Sensations

With the velvet underground sweeping the porno nation, girls with 70's style muffs is where it's at! Perfectly primed with puffy pussy pelts, four hot girls get their hairy holes hammered in a production that is well suited for fans of the hirsutism fetish.

Blonde beauty, Natalia Starr, looks stunning in the first scene with Xander Corvus. After blowing his cock, she treats him to a titty fucking session before offering him her sweet pussy. Although hot,

more bush would have been a welcomed addition.

Next, we find Heather Night showing off her big bush. Excited by the sight of her *Hair Down There*, Xander Corvus excavates her furry taco with his tongue and tool before busting his nut across her cunt curls.

From here, we find Cassandra Nix showing off her beautiful body and bangin' bush to Ramon Nomar. Unable to resist her charms, Ramon stuffs her mouth full of meat and later places her on his lap. Riding his cock like a bronco rider without a saddle, Cassandra doesn't stop until her pussy gushes.

In the end, Liv Aguilera entices Erik Everhard with her untamed bush. In what

becomes one of the strongest scenes featured, Liv gets her pussy pummeled in a myriad of hot positions that include spoon, doggie, and reverse cowgirl. Yeehaw!

LUCY

I was born with a silver spoon in my mouth. My mother was an exchange student who met a dashing count in Italy. They married and had me. I've traveled the world many times and let's just say, life's never been boring. Yet I still feel unfulfilled. That's why I decided to think outside the box. Hell, let's face it, I'm supermodel-beautiful. But instead of walking the runway, I decided to 'climb the pole.'

"Yup, on a whim, while visiting Vegas, I went to a strip club on Amateur Night. Let's just say I'm not a amateur anymore. Every so often, when I'm horny and crave attention, I'll strap on my stripper heels and show off the goods.

"I love to dance nude. My pussy gets so wet seeing all those guys' tongues jumping out of their mouths as they watch me. The cock-bulges also arouse me, and just knowing the fantasies the guys are having, of fucking me every which way, is most satisfying. Ironically, most of all, I love getting those dollar bills. Having men give me money gives me an immense sense of power—even though I certainly don't need that petty cash. I just love being loved!"

There comes a time in most people's lives when they reach a crossroads and need to make a decision. Although a reevaluation of a job or the possibility of relocating and starting over in a new city are common conundrums that people face, things become a lot more complicated when the axis of your crossroad pertains to love.

We all have the "one that got away," that lost love from our past that consumes a facet of our mind and heart forever. Although life and love move on, most people are able to forge ahead and create healthy rela-

tionships with others, while some can't ever seem to let go of their past. So then, what happens if your long lost love returns to reignite the flames of passion? Do you risk the security and faithfulness of your current relationship and follow your heart, or do you keep the past behind you where it belongs?

This is precisely the type of love triangle created in *Star Kissed*, a romantic, couples- friendly offering presented by porn auteur Barrett Blade for Wicked Pictures. In it, we follow the plight and heart of Aaliyah Love

who is forced to reevaluate her rocky relationship with Tyler Nixon once her childhood sweetheart, Bill Bailey, comes back into town. Ready to rekindle their romance and begin a career at the hospital she administers, Bill is on a mission to win back Aaliyah's heart. Our only question is, will Aaliyah take his bait or will she stay true to her vows and repair

her broken relationship with Tyler? Let's find out!

The movie opens with Bill Bailey slowly leading Aaliyah around a city rooftop at night. She's blindfolded, excited, anxious and very much in love. Once her blindfold is removed, she's in awe of their fantastic location and the pristine view of the city. Reaching her arms up to the sky in

the hopes of catching a handful of stars, Aaliyah looks to Bill with sad eyes and pouts, "I'm afraid we're going to fall out of love when you leave."

Apparently, Bill has joined the Peace Corps. and will be leaving for a lengthy tour of duty in India. Wanting to console and reaffirm Aaliyah of his love for her, Bill smiles, "A love like ours just doesn't fade away. We are magic. I'll carry this feeling in my heart until the day I die."

Still in need of more convincing, Aaliyah removes her blue tank top and hot pink bra, revealing a natural set of B-cup boobies that are capped with perky tan nipples. Funneling his mouth around her set, Bill devours her itty-bitty titties before shimmying her out of her pair of skinny jeans. He's ready to prove the depth of his love.

Spinning her around so that her ass is facing him, Bill folds Aaliyah in half and inserts his cock into her waiting hole in standing doggie position. With the night air blowing through her billowy blonde hair and her pussy juice streaming down her inner thighs like melted butter, Aaliyah looks perfect in this outdoor element.

Between positions, Aaliyah falls to her knees and slobbers her way around Bill's hard cock, following his vein trail with her tongue. With his set of balls held tightly in her grip, Aaliyah continues her oral love session, later sitting on his lap to continue their fuck fest in reverse cowgirl position.

After several heartfelt minutes of pure lovemaking and enviable passion ensues, Bill pulls out and splatters his darling's face with jizz! Now, that's what we call amore!

As the scenes draws to a close, we see Aaliyah tossing and turning in her bed. At that point, we come to the realization that she had been dreaming about her past. As the camera pans out, we see Tyler Nixon, her husband and the current fire captain of their city, lying in bed beside her. The tension between them is palpable. Guess times have changed.

From here, we find Mr. Pete, another firefighter, in bed with his

lovely wife, Alison Tyler. Whereas an absence of love could be felt in Aaliyah and Tyler's room, an abundance of love is found here. Treating her lover to a morning quickie before his shift at the fire station begins, Alison lifts up her white tank top, revealing the most delicious pair of DDD titties imaginable (yes, you read that right)!

Going after her bangin' bongos like a moth to a flame, Mr. Pete tries his best to insert as much of her titty meat into his mouth as is humanly possible. Loving every moment of his hot mouth, Alison takes off her teal panties and pushes his head down south. "Wake up my pussy," she playfully teases, parting her legs and locking his face into position between her thick thighs.

Devouring her honey hole like a hungry brown bear, Mr. Pete

sucks, fondles and fills up her pussy with plenty of fingers and his tongue. As their action really heats up, we can actually hear the sound of his teeth clanking against her silver clit stud. The symphony created is as sexy as hell!

Wanting to return the favor, Alison rests on her belly and begins ingesting his cock like a snake swallowing a field mouse. Demonstrating oral skills that are just as impressive as her beautiful face and model-esque body, it becomes quite apparent that Alison lacks one big thing... a gag reflex! Able to take him down to the balls, it's awesome watching this orgasmic oralist hard at work.

From here, the duo transition to the side of the bed where Mr. Pete plugs her pussy full in missionary position. When he's done, he splatters her cupcakes with homemade icing. In response, she jiggles her titties in place, causing his frosting to fly!

Meanwhile, Bill Bailey has returned to town and has taken the job as the head cardiologist at the hospital that Aaliyah administrates. The moment their eyes meet, their flames of love begin to reignite. The candle has once again been lit. Confused, frustrated, and unsure of what to do about her unresolved feeling for Bill, Aaliyah turns to her best friend, Monique Alexander, for guidance. She offers her friend some sound advice.

Now immersed in the feelings of love, devotion and appreciation that she has for her own husband, Mick Blue, Monique is ready to demonstrate her dedication by keeping their romance white hot.

Strolling into their living room wearing a red nightgown and spiked red heels, Monique looks like the type of woman any man would love to come home to. With his blue eyes popping out of his head and his cock screaming through his jeans, Mick is ready to sink his teeth into her juicy center.

"Is that a new outfit?" he smirks, pulling the lacy top down to reveal Monique's succulent pair of store bought titties. Shaking her head yes, Monique grabs

her jugs in her hands and begins breast-feeding Mick. Sucking and slurping away, Mick leaves tiny bite marks around her pretty nipples before peeling her out

of the thin red material to devour the contents of her juice box.

Once she's good 'n' gooey, she takes a seat on his lap and begins working his

station early to go show her some love, Brad can't wait to tear into his yummy princess and then get down on his knee to ask her to be his bride.

Storming into their room, Brad literally sweeps Kiera off her feet, showering her pint-sized body with loads of passionate kisses. Responding in kind, Kiera removes her denim shorts and pink t-shirt and spreads her long legs for her hungry lover. Smashing his face between her thighs, Brad is not shy about his love of her pussy. With sticky cheeks and gloss dripping from his silver lip ring, Brad lifts up his face from her pink pussy and is seemingly a very happy man. "You taste like candy," he smiles, ready to go in for another gooey mouthful.

Lost in love for his woman, Brad then slips behind her in spoon position, inserting his cock into her warm hole. Holding her legs open at the ankle, Brad works his wiener into her pussy, vis-

cock to perfection in cowgirl position. With her perfect ass bobbing up and down and her titties smashed into his face, we can tell that Mick has just died and gone to heaven. Demonstrating crazy amounts of passion and a genuine lust for one another that can be felt by everyone in the room, Mick and Monique actually proceed in banging out one of the hottest scenes of the entire production.

After continually hearing about the marital bliss of his fellow firefighters, Brad Tyler, a new fighter on the squad, is anxious to make an honest woman out of his longtime girlfriend, Kiera Winters. Leaving the

ibly stretching out her tight rim with his fat cock. "I love you so much," she cries, releasing an orgasmic gush that coats their crotches with the good stuff.

Now standing her up on the edge of the bed, Brad finishes her off in doggie position before asking her to be his bride. It's definitely the perfect ending to their romantic interlude.

Soon thereafter, a raging fire burns out of control in a downtown loft that directly matches the fire that is still burning in Aaliyah's heart for both Tyler and Bill. What happens next is an absolute surprise and one that you never saw coming. All that we can say is that when the final ember burns out, this story is not left without casualties.

KIERA WINTERS

Mmmm...yeah, I think I'm getting close," she continues, feeling the fleshy nub pulse between her fingers. "My fingers are almost as good as a man's tongue, but not as good as this," the bawdy brunette mumbles—thrusting the hulking glass dildo into her mouth—getting it sweet and glossy for her aching pussy.

Plunging it in her pink inch-by-inch—Kiera starts shaking—covering the entire toy with her girl goo—with her moans filling the air.

"Yeah, I think I got it," she says, splaying her petals apart. "Now, I hope that a man can do the same for me."

Would you be more inclined to settle down with a man or a woman?

Well, I do like to play with women. I am not going to lie about that. Women are gorgeous, beautiful creatures, and I have enjoyed many of them. Actually, with women, I'm always the girl who is too shy to make the first move. At the end of day, however, I am a bit old fashioned and would want to settle into bed with a man. But, you never know, we might want to have a girlfriend around.

Are you shy around attractive women?

I'm shy in the sense that I am not the type of woman to make the first move. It's different with guys. You can feel them out and sense if they are attracted to you. With women, they are so much better at flirting and playing games that it's hard to judge where they are at in regard to their attraction level for you. With a guy, if you make a move, more than likely, he's going to respond. No guy is really going to turn you down, but that is not necessarily the case with women, and that reality can be harsh.

In that sort of situation, porn makes for the perfect icebreaker. There is no chance of rejection. In that way, yes, you are right. All of that potential awkwardness is already worked out of the equation. That in itself has been a huge draw for me in joining the adult industry. When I was eighteen, I started feeling attraction toward some of my girlfriends. I remember one time we had a sleep over and I got really cuddly with one girl. There was a vibe there, but none of us did anything about it. I know we both wanted to play, but both neglected to make the first move. Regarding the business,

we are both there for the common cause of making a film and for enjoying each other's bodies. Porn has been a great safety net.

How do you seduce the object of your affection?

I believe in giving a lot of eye contact. I also enjoy using my words to seduce my lovers. When I first got into the business, I was very quiet. Now, I love talking and being talked to. When you are working with someone for the first time, you may be kind of nervous. But, by saying sexy things to the person, you help put them at ease. People enjoy hearing how sexy you think they are and how much you want to work with them. It pumps them up and makes them feel more comfortable with you.

Any aspects about the adult industry that you don't favor?

I don't like when one girl makes a bad choice, or does something to gain fame, and that choice happens to reflect negatively on the industry as a whole. That really bothers me, because if one person does something silly, we all get judged for it. There's constant judgment all the time, no matter what. Unless people knew me before I became Ann Marie Rios, people always see a porn star first. The other wonderful qualities I have become secondary to me being a porn star. It sucks trying to constantly feel as though you need to defend your industry, or defend the people in your industry. But,

all of that comes with the territory, so I've learned how to adapt.

Do you enjoy the titillation of fucking in public?

Yes, I have been known to before and on some occasions, if the right opportunity arose. I definitely have a sexy to-do list of crazy things I'd like to accomplish before I'm too old. If the adventure felt right and entertaining, I'd certainly go with it. I don't

feel the need to always put on a show because I feel that's what I do all the time.

Ideally, how often would you like to have sex?

I'm not one of those everyday, multiple times a day kind of person. I feel like if you do something all the time, every second, then it becomes less magnificent. I'm also not one of those 'only on special occasions' type of people either. I think there has to be

a balance. Sex should be experienced when the feeling is right, and not as a way of living up to some kind of a quota of what everybody else is doing.

Are you into instant gratification, or do you prefer delaying your pleasure until you are about to explode?

I'm a chameleon in the sense that I can go back and forth. Some days, you want the whole seduction scene where you use Kama sutra, pour candle wax on each other, and really have fun playing. Other times, you just want to get there. I'm a little of both. I'm not just one or the other.

Which performers do you have the most fun working with?

Dale DaBone, Steven St. Croix are men that I've enjoyed working with. Now, there are so many great guys to choose from, like James Deen and Xander Corvus. As far as girls are concerned, I have to say Selena Rose. She's incredibly sexual. And, actually, I like the blondes with blue eyes because they are opposite of me. Nine out of ten girls in the business these days are gorgeous. It's almost a prerequisite. Most of them are hot, but the best ones for me are the performers who are just as beautiful on the inside as they are on the outside. We understand that you are a feature

dancer, touring America. What would you say is your most crowd-pleasing costume? People seem to really enjoy my matador show. I wear a hat like a bull and this allows me to work with the crowd. I select people to wear my hat, and have them come on stage. They run around with me and try to get my cape. It's a cool show, but the bull never wins. That's always fun.

Sexy Matador? Yes, we'd love to see you performing that routine. What other costumes do you enjoy performing in?

I would say that 80% of my costumes are custom made by a designer. One of my favorites is an old school showgirl costume that has a bunch of feathers, sequence and crystals on it. My girl-scout outfit and routine is always fun. For that, I bring out whipped cream and cookies. There's a genie outfit and a fireman costume, which is also a lot of fun because I do a candle wax show that ends up everywhere. Since I love Star Wars, I want to work in a Princess Leia routine into the line-up. I'll start her off in a Storm Trooper costume and then end up in the slave girl outfit. Another costume being shipped to me is a replica of Michael Jackson's outfit from Thriller. I once took a cruise and learned how to do the dance for Thriller. I want to do something different for the crowd and be original with my shows. I

don't want to be like every other girl.

It sounds as though you were born to entertain. So, if you weren't a porn star, what would be your ideal profession?

True, I do love to entertain. But, if I could make up a job, I would be the Fashion Police and give people tickets for wearing horrible fashion. Or, I'd like to be a judge. It would be awesome to be able to help people who find themselves in weird situations.

Where do you love being kissed?

I love people to kiss the back of my neck, or my feet. I'm totally into the whole foot fetish thing. I love wearing stockings and heels. I always keep my feet nicely pedicured, 99.9% of the time, with a fresh French-tip painted on them. I find feet sexy and enjoy people nibbling on my toes. And, there are all kinds of nerve endings that run to and from your feet to various erogenous zones around your body. On a physical level, it's extremely pleasurable. Don't knock it until you give it a chance.

Please tell us an interesting fact about yourself.

People would never guess that I have a collection of the new quarters that represent each state. Please don't ask me why I felt the need to do that (laughs). I've

hope they continue with a third episode.

Regarding your scenes in Escaladies, which stood out?

The entire movie stood out! It was the first time I had ever met Selena Rose. She is quite a fun and sexy person to be around. We had a great time working together, although we were never able to have sex in the movie since we play the role of sisters.

In today's porn landscape, there seems to be many more Latin performers, such as Kristina Rose, Yurizan Beltran, and Selena Rose. How do you feel about that switch away from stereotypical blondes with big boobs?

One hang up is that most Latinas in the business are not bi-lingual and do not speak Spanish. So, that poses an issues, although I'm sure companies can work around it.

What specific type of heat do Latina porn stars bring to the table?

They bring this feisty, spiciness that comes only with the Latin heritage. Also, we can speak naughty things in Spanish, which is quite erotic. Even if people have no idea what you're saying, it still sounds exciting and naughty. I truly embrace my Costa Rican heritage. Being a Latina is awesome!

been meaning to order one of those books that have the empty slots over each state to slip your quarters into. It's so dorky, I know! And, I have a phobia for bees. When I was a kid, I used to go camping a lot with my family. One time, I sat on a bee and it stung me on the butt. I'll never forget that. Now, I can't be around bees. They freak me out.

We really enjoyed your work in Escaladies 1 & 2. How did it feel to be apart of an all Latino cast?

I had a lot of fun during the filming of those movies. Digital Playground is a great company to work for; there scripts are very well written, and they put a lot of thought into their productions. Honestly, I think it's about time we had this type of movie for the Latin community. When I first got into the business, there were about four Latinas. Every time a company would put a Latin movie together, we'd all get booked for the job. Since they didn't have enough Latinas, I remember one company even hired Nikita Denise, who is Czech! I think this project is going to do really well for Digital Playground. The Latin community will certainly enjoy having their own culture represented in these movies. I

SIZING UP THE ECONOMY

As a Ph.D student in International Economics, I often find myself traveling around the globe, attending seminars and participating in work-study programs. It's harder for me than the guys, since not too many foreign people like a very smart, overeducated, young American woman. I'm 23, petite, with long auburn hair, light blue eyes, very cute if I do say so myself; quite the package. But when I'm overseas I do my best to maintain a "professional" demeanor, not interact too overtly sexual, keep it low-key and come off as studious and serious. That's not to say that I don't like to have fun. And being young, my hormones do sometimes rage up. But when I'm on foreign soil, I don't want to get in trouble. Plus I always have to remember I'm pursuing my long-term goal of becoming a world-famous economist.

Sometimes, though, situations get the better of you. That's what happened a couple of weeks ago. I was in Nairobi for a seminar. Having never been in Africa before, I was quite excited about exploring in my free time. I was also glad that I'd be able to get my mind off of my personal life back home. I had just broken up with my boyfriend of three years and was quite bummed-out. I always pictured myself as Doug's (my ex) wife and life partner (he was an Economics Professor). Things just didn't work out and I knew I'd have to forge ahead. That's why I figured being in Kenya would be good for me on several levels.

On the first day of the week-long seminar, I sat sandwiched between another chick (from Italy) and this local guy who was also a Ph.D student. His name was Eduardo and he was from France, even though he actually lived in Kenya, settling there for a work/study program. ...Anyway, Eduardo asked me a question. Immersed in the seminar, I really hadn't taken much note of him before. But when I looked up, I couldn't help but realize what an attractive man he was. Smooth olive skin framed a strong, angular face set off by pearl-white teeth. Though he was sitting, I could tell he was tall and in quite good shape—especially for an economics student! His dark eyes were quite piercing and I found myself lost in them for a minute.

I answered his question and we made a bit of small talk. When the seminar ended,

Eduardo, out of the blue, asked me if I'd like him to show me around Nairobi. I felt compelled to say yes. We were to meet at my hotel in two hours.

Though he made it sound like a friendly gesture, I decided to doll myself up for our meeting. I put my hair down, painted on makeup, and wore a sexy mini-dress with four-inch heels. Let's just say I don't know

what came over me. When I met Eduardo in the hotel lobby, it was obvious that he, too, had dressed to impress. He was wearing a tight knit shirt which showed off his pecs and biceps and looked quite handsome.

My tour guide was quite warm, friendly, and funny. He showed me all the points of interest around Nairobi and when we were tired, asked if I wanted to get a bite to eat and a cold beer. Instinctively, I said I'd rather we buy a couple of bottles of brew and go back to my hotel room to "relax and freshen up." Eduardo happily agreed.

Maybe a minute after I had locked the door behind us, we were on my bed, half-dressed, locked in each other's arms. Eduardo was unlike any other man I'd been

with, not that there had been that many. Let's just say he seemed a lot more manly than Doug. He spread me out on the bed, removed my clothes and began trailing his tongue down my body. My loins stiffened as I felt his tongue probe my clit. When he locked the pink knob inside his mouth and began rolling it between his teeth I almost jumped off the bed in pleasure. This man knew what he was doing and before long had me writhing on the bed in orgasmic ecstasy.

But it was when he removed his pants and shorts that I really saw stars! His penis was monstrous—something I would have maybe expected from one of the native Kenyans, but not from a Frenchman! I don't know how else to describe it. It looked close to a foot long, was thick, and pulsating with the veins seeming to have a life of their own. I'd never been too much into performing fellatio, but when I saw Eduardo's member, I was mesmerized. I had to taste it!

I felt like a porn star as I orally attacked his monster. Though I couldn't get too much into my mouth, I did my best to suck and slurp it every which way. I thought I might get lockjaw from my efforts, but I didn't care. And all the time I was sucking him, all I could think of was what it would feel like to have it inside of me.

Eduardo must have sensed my longings, because he pushed my head away, then scooped me up in his strong arms. Holding me in mid-air, he lowered my sopping-wet pussy onto his huge dick. In that position, he pumped me up and down, fucking me like I was some kind of doll and he was Super-

man. His giant cock seared my insides and I could feel every muscle ending in my body tingle with arousal.

Though I don't exactly remember, I think we both came at the same time. I do remember a sea of semen flooding out of my pussy and landing onto the hotel carpet. I was, literally, lost in Africa! We saw each other a few more times that week, fucking like animals each time. I'm now back home. The only problem is, I can't help thinking about having another huge dick, like Eduardo's, inside of me. I hope my studies don't suffer, but I am on the prowl!

HOW SWEDE IT IS

I never thought of myself as a lucky person. That is, until a couple of weeks ago. That's when a new neighbor moved in next door. My old neighbors were, well, old! A nice enough couple, but we had nothing in common. When they moved to Florida I just assumed some other stodgy folks would take their place. Now I know why they say never assume anything.

I didn't really pay much attention when I saw a few boxes outside the house next door. I wasn't all that interested in meeting the new neighbors. That evening I heard a knock at the door. Since I was so engrossed in the basketball game I wasn't even going to answer it. But the knocking persisted, so pissed, I got off the couch and walked to the door. Opening it, my jaw dropped to the floor. Standing before me was one of the most gorgeous blondes I'd ever seen. About 5/7", with long, straight hair and big blue eyes, she looked to have a perfect body. Then I heard her sultry voice for the first time. "Hi, I'm Inga," she began with a mere hint of a foreign accent. "I just moved in next door. I'm from Sweden and my company just transferred me here on business. I don't know anyone in America, so I was hoping to make friends with my neighbors."

Still kind of stunned, I invited her in. Introducing myself, I motioned her to the couch. We sat down and I gave her some wine. Over the next hour and a bottle-and-a-half, we exchanged our life stories. Inga was 29, single, and looking to make a "fun" life for herself in America. I did my best to conceal the tent in my pants as we spoke. But I think she knew, since she made a few references to how she's always been lucky at attracting "handsome" men, then gave me a sly smile.

Nothing happened that evening. I did, however, have a hard-on all night thinking about her, which didn't wane even though I beat-off a couple of times. The next morning, I couldn't control myself. I found myself ringing her bell, just wanting to gawk at her gorgeous face and rocking body again.

Inga answered the door in a sheer nightie. Half stammering, I told her that I thought she might like some company for morning coffee. Smiling, she invited me in. As I followed her to the kitchen, I watched her perfect butt bouncing up and down encased in skimpy sheer white panties clearly visible under the nightie. By the time we reached her kitchen table, my cock was just about popping through my jeans. This time, I made no effort to hide it.

That sly smile once again crossed Inga's gorgeous face. "You American men are not bashful, I see.. I guess you want some sugar with your coffee!" She then wrapped her arms around my neck and we began kissing. Our tongues pushed against one another and since hockey is popular in Sweden, we played tonsil hockey, with Inga winning the battle, stuffing

her "stick" halfway down my gullet.

Her hand reached for my zipper and she pulled my raging hard-on out of my pants. It was easy for me to slip my hand under her nightie and push aside her panties. Two fingers invaded her box and her pussy was quite wet. I fingered her hole and she wrapped her hand around my cock. Then she sank to her knees and began sucking my dick.

In between sloppy slurps, she managed to utter, "American women aren't the only ones who know how to give head." Was she ever right! Inga's mouth worked like a corkscrew, twisting up and down and all around. I was in seventh heaven! Not only did she look like a model, but she sucked like a porn star. I was in a sexual frenzy and I had to have her.

Pushing her head away for a minute, in a scene out of a movie, I knocked everything off of the kitchen table, and I think I broke a cup or two. I didn't care and she didn't seem to either. Then I lifted her and placed her on top of the sturdy marble tabletop, positioning her on the edge so that her pussy was even with my groin. Leaning forward, I entered her.

My raging-hard dick slid inside of her silky-soft blonde box. Using her legs for leverage, I pushed her body back and forth, so that with each forward thrust her cunt met my dick and I pumped into her.

I fucked her like this as she emitted guttural yelps as the speed and power of my thrusts intensified. At some point, Inga's moans belled in Swedish and though I didn't know the literal translation, I could tell she was about to lose it.

Looking at this beautiful creature's heaving body contorting sent me over the edge. Her cunt gripped my dick real tight and with a powerful final surge, I emptied a geyser of jizz into her beckoning pussy. She lost control, too, and I could tell she got off in a huge way.

Believe it or not, once we calmed down, she made coffee and toast and we sat and had breakfast, still nude, but a lot calmer. I now have breakfast, lunch and dinner with Inga every night. Sometimes, we even actually finish

a complete meal! Who knew having a next-door neighbor could be so inviting?

I know I have it going on. But that doesn't mean I have to play hard to get. Great-looking girls and good-looking guys don't have to play games. When my current crush, Steve, started talking to me at a bar one night, I knew we were going to become fuckmates. He had it going on, so why shouldn't I do the dirty with him?

"Of course, I didn't know what a big cock he had—or that he knew how to use it so well! We fuck for hours on end, and in every conceivable position—and then some! He also knows how to eat a mean pussy. He also enjoys when I return the favor, and wrap my ruby-reds around his cockhead.

"My favorite position is simply sitting on him and letting him bounce me up and down, his prick pounding up and in to my salivating pussy as we meet, thrust for thrust. I'm sure he's not going to be the last guy I grind with, but he'll do—for now!"
